PLEASE TAKE NOTICE that the following proposals will be on the ballot as presented and listed below:

**FAIRVIEW AREA SCHOOLS
OPERATING MILLAGE RENEWAL PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance. The remaining 1.6696 mills are only available to be levied to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will only be levied to the extent necessary to restore that reduction.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Fairview Area Schools, Oscoda and Alcona Counties, Michigan, be renewed by 19.6696 mills (\$19.6696 on each \$1,000 of taxable valuation) for a period of 6 years, 2025 to 2030, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$2,270,682 (this is a renewal of millage that will expire with the 2024 tax levy)?

**COMINS TOWNSHIP
BRINE MILLAGE PROPOSAL**

This Proposal is for a new millage that will permit Comins Township to levy up to 3/10 mill for the purpose of providing funds for gravel road dust control brine. This is a new millage that if approved and levied in its entirety, would raise an estimated \$25,645 for Comins Township in 2025.

Shall the limitation on the amount of ad valorem taxes imposed under Article IX, Section 6 of the Michigan Constitution which may be levied by the Township of Comins, Oscoda County, Michigan, against taxable property in the Township be increased by up to three-tenths (3/10) mill (\$.30 per \$1,000 of taxable value) for a period of two (2) years, 2025 through 2026, inclusive, for the purpose of providing funds for gravel road dust control brine, and shall the Township levy such millage for this purpose?
